Issue 1, Spring 2011

Lori A. Stupp, Executive Director

## Letter from the Executive Director

As I reflect on my first six months here at United Memorial Medical Center Foundation, what stands out the most is how proud I am to live and work in such a giving community.

Without the contributions we receive at the Foundation it would take our Hospital much longer to reach its goals. Our community's philanthropic support --large and small-- is critical. The Hospital does not always have the financial resources to fund capital projects, like the Surgical Expansion Project, on their own. While we hope you remain healthy and active, our Hospital is here to care for you and your family.

You, our friends and donors, share in our mission whenever you give financial support to the Foundation. Gifts to the Hospital Foundation are a vital part of the continued success at UMMC. The entire community plays a role in making sure United Memorial Medical Center stays on the cutting edge by offering the best equipment and technology available.

However you choose to give, thank you! Support for healthcare is important and you make it possible. Please contact me at (585) 344-5301 or [lstupp@ummc.org](mailto:lstupp@ummc.org) if you would like additional information. We are grateful for your past and continued support!!!

# Surgical Expansion Project Opens

United Memorial Medical Center began utilizing the new surgical expansion space on Tuesday, January 4, 2011. A ceremonial ribbon cutting and community open house was held in December to celebrate the completion of the \$20 million surgical expansion project at the North Street location.

Several hundred community members attended the event. Guests toured the new surgical area and viewed technology demonstrations as well as the lobby, community gallery and admissions area.

The expansion has added 44,000 square feet to the front of Genesee County's only hospital. It houses five new, state-of-the-art operating suites, 19 recovery beds, gift shop, waiting area and a new main lobby. The new construction also provides a protective awning covering the patient drop-off area.

The first surgical procedures were indeed performed on time as expected on January 4th. When arriving at UMMC between the hours of 6AM and 7PM, patients and visitors to United Memorial should utilize the parking in front of the Hospital entrance and enter the facility through

*The new Surgical Expansion space at the United Memorial Medical Center*

the new front doors. The Admissions Area has been relocated to the new space for the convenience of patients. A Greeter's/Information Desk will be regularly staffed to assist patients and visitors with finding their way through the facility.

The new gift shop called "The Shoppe"

and the coffee kiosk are now open. To better serve our staff and visitors, the cafeteria at North Street has extended its hours and offerings to include breakfast items. The cafeteria added a second cashier and now accepts credit and debit cards. The cafeteria is open seven days a week.

## From the President of the Board of Directors

As President of the Foundation Board of Directors, it has been my responsibility to make sure that we follow our mission, which is to raise and manage funds in support of United Memorial Medical Center. The Foundation's vision is to be the charity of choice to area donors to ensure the financial resources to sustain and improve healthcare in our community.

This past year was one of significance at UMMC with the building and opening of the new Surgical Center. I am proud to acknowledge all of those that are contributing to this state-of-the-art facility. Your generosity to our Hospital in the amount of 3.1 million dollars was overwhelming.

On behalf the UMMC Foundation Board and myself, I want to thank you for your past support and look forward to your continued support in the future.

It is an honor, and a privilege to work with such talented and dedicated Board of Directors and staff.

Sincerely,

Timothy D. Woodward

*Board President, Timothy Woodward*

# Foundation Board Member Bios

## Julie Holman

Julie Holman, a banking officer and registered representative with Key Investment Service, LLC at Key Bank in Batavia. Raised in Batavia,

Julie is a Batavia High School and Alfred State College graduate.

She has 4 grown sons whom she is most proud of their accomplishments. Jason is employed by Genesee County Sheriffs Department as an emergency services dispatcher. Matthew works for the Batavia City School District as an IT Tech. Dustin is employed at TF Browns as a Shift Manager/Bartender and Benjamin is currently a student at University of Dayton working on a Business Administration degree. Julie is anticipating the upcoming wedding of

her son Jason in July 2011.

Julie also volunteers as a Board Member of the Mental Health Association in Genesee County.

She feels strongly about the benefit of having local access to quality medical care and feels it is important to give back to a community she works and lives in.

In her spare time, Julie enjoys golfing and skiing.

## Don Bausch

Don Bausch was introduced to the UMMC Foundation by previous Board President George Spinnegan.

It seems that Mr. Bausch was seen attending many of the Foundation events over the years so it seemed to make sense to ask him to join

the Foundation Board.

As the Vice President of Sales and Marketing at Kovalsky-Car Electric Supply Co. in Rochester, he has a total of 48 years in the electrical industry.

Married for 47 years to his bride, Joan, they have three children Kim, Colleen and Scott and eight terrific grandchildren.

Don spends a lot of his time volunteering for other organizations such as Notre Dame High School Board of Trustees, St. John Fisher College Presidents Advisory Council, Town of Stafford Planning Board and many more...

He believes the Hospital is an integral part of our community and it is extremely important each of us do whatever it takes to maintain the highest level of service.

Don loves to play golf and work in his garden and is a huge fan of the Buffalo Bills and Buffalo Sabres. He has also been known to go parasailing...

## 2011 Special Events

The Foundation holds several events each year to raise funds for United Memorial Medical Center. Please join us and invite others to come along. For more information contact the Foundation Office at 585 344-5300.

### Gala on the Green

Grand elegance is what guests can expect at the 2011 Gala on the Green in the magnificent atmosphere of Terry Hills Restaurant. Known for its gracious service and impeccable style, Terry Hills will provide the perfect setting to gather with friends old and new, to celebrate the Surgical Proj-

ect completion and raise funds for United Memorial Medical Center.

### 6th Annual Gala on the Green

*Saturday, June 4, 2011*

*Terry Hills Restaurant & Banquet Facility*

*Per Guest - \$150*

### Annual Golf, Tennis, and Bocce Classic

Throughout the past 22 years, the United Memorial Medical Center Foundation Golf/Tennis/Bocce Classic has earned the reputation of being among the premier golf tournaments in the area. This year

will be no different as we continue the tradition of offering Stafford Country Club as our venue. This event is run professionally with great prizes and at a superb facility... just a couple reasons why this event is sold out every year.

### 22nd Annual Golf, Tennis, and Bocce Classic

*Monday, August 15, 2011*

*Stafford Country Club*

*Per Guest - \$225 Foursome - \$900*

*Tennis - \$125 Bocce - \$100*

## Ronald Burroughs Named 2010 Health & Humanitarian Honoree

The United Memorial Medical Center Foundation and The Jerome Foundation presented Ronald Burroughs with the 26th Annual Health & Humanitarian award. Mr. Burroughs was honored on December 3rd at a luncheon in his honor.

Ron was recognized for his volunteer efforts and leadership with Genesee County Habitat for Humanity. Mr. Burroughs has served as a Board member of the local Habi-

tat for Humanity affiliate, as well as a tireless volunteer building and rehabilitating houses so local families can live in decent and stable housing.

Ron's leadership, professional contacts, equipment and "sweat equity time" for many houses in our community and his vision for such projects has enabled families to acquire affordable housing on their own. All that have had the opportunity to work with

*Ron Burroughs, 2010 H&H Honoree*

Ron agree he exemplifies the true meaning of a Humanitarian.

# Grateful Patient and Family Program

The United Memorial Medical Center Foundation is pleased to launch our Grateful Patient and Family Program. This program provides patients and their families the opportunity to show gratitude to the physicians, nurses and hospital staff that made a difference in their care during their time at UMMC.

If you are grateful for the care you have been given, or wish to honor the memory of a family member or friend

who received care, this program offers you a permanent way to say, thank you. Your gift not only recognizes people who cared for you but also allows the financial support needed to purchase equipment, offer programs and continuing education.

Contributions may be designated to a specific clinical area or department. To learn more about participating in the UMMC Grateful Patient and Family Program, please call 585-344-5300.
